# Saving Mother Earth.....One Solution at a Time!!!

## Why Guardian All Purpose?

### Tough yet Gentle

**Guardian All Purpose Cleaner** is designed to safely remove scale and unsightly hard water stains from almost any surface. Guardian All Purpose does not contain Muriatic (Hydrochloric), Phosphoric, Sulfamic, Oxalic or Citric acids. Guardian All Purpose Cleaner uses renewable resources to create an effective cleaner that rejuvenates surfaces back to their natural appearance.

### Safe

This is the first product that has been specifically designed to remove build-up by breaking the bonds held by calcium elements. **Guardian All Purpose Cleaner** is non-corrosive and therefore safe on virtually every surface including aluminum, chrome, glass, rubber, and most plastics. It safely removes scale and hard water stains while leaving surfaces looking like new.

### Economical

**Guardian All Purpose Cleaner** is so efficient that you have significantly lower chemical usage, thereby saving money.

### Environmentally Friendly

**Guardian All Purpose Cleaner** is formulated with biobased building blocks making it a significant contributor to the quality and sustainability of life. Only Guardian All Purpose Cleaner starts with EPA recognized environmentally friendly elements, and assemble them into an effective cleaning and descaling agent.

### Simple

**Guardian All Purpose Cleaner** is so easy to use. Spray it on.....and walk away. Wait at least 15 minutes and rewet and using a sponge, or soft brush, remove the buildup.

*Shower Before*

*Shower After One Application*

### Efficient

**Guardian All Purpose Cleaner** significantly reduces labor costs. Removing scale and hard water stains is no longer a major time consuming job. It does the work while you do something else! Bright Bay Products brings 21<sup>st</sup> Century technology to the cleaning industry.
