

HAMMERHEAD HEAVY DUTY DEGREASER is your one solution from the galley to the engine room.

Universal

- Cleans grease, oil, and grime from surface areas
- Powerful enough to degrease an engine and clean the bilge
- Mild enough to clean the head
- Perfect for galley degreasing
- Safe for food equipment and food processing equipment

Complete

- Concentrated formula for minimal storage
- Dilute for specific applications
- Diluted solution may be used on soft materials
- Use on canvas, fiberglass, walls, carpets and more

Advanced

- Formulated for maximum flexibility and application
- Designed responsibly for the environment
- Nontoxic, biodegradable solution
- No dyes, phosphates or optical brighteners

Safe for Use Throughout The Boat

- | | | | | |
|-------------|----------|-----------|--------------|------------|
| √ engine | √ tools | √ sinks | √ fiberglass | √ aluminum |
| √ bilge | √ galley | √ showers | √ canvas | √ rubber |
| √ outdrives | √ head | √ walls | √ vinyl | √ glass |

Environmentally Friendly
