

WHY **HAMMERHEAD HULL CLEANER** IS THE #1 CHOICE ABOVE ALL OTHER MARINE CLEANERS!

Simply the Hassle Free Solution for keeping boat surfaces rejuvenated and looking new!

Easy

- Free from harsh acids like hydrochloric and phosphoric acid
- Does not gas or fume like traditional hull cleaners
- Clear solution will not stain or damage most nautical surfaces
- Safe for use around aluminum trailers
- May be used to clean aluminum hulls
- Ideal for working in tight spaces
- Unique chemistry allows for multi-tasking, saving time & effort
- Apply and leave on hull. Remove at your convenience

Advanced

- Formulated to target calcium- removing barnacles, muscles, shells and more without attacking metals
- Removes tannic stains caused by plant decomposition
- The only Hull Cleaner with emulsifying agents for dual action cleaning of both bio-fouling and dirt & grime.

Safe

Safe for use on equipment containing:

- | | | | | |
|-------------------|--------------|------------|--------------------|----------|
| ✓ copper-nickel | ✓ brass | ✓ iron | ✓ copper | ✓ steel |
| ✓ stainless steel | ✓ bronze | ✓ titanium | ✓ chrome | ✓ rubber |
| ✓ gelcoats | ✓ fiberglass | ✓ wood | ✓ painted surfaces | ✓ glass |

The only product that will not damage aluminum (AL1100) parts.

Environmentally Friendly

Assembled USDA and EPA recognized biobased building blocks derived from renewable resources, making it a significant contributor to the quality and sustainability of life. [Hammerhead Hull Cleaner](#) is ideal for use in harbors and marinas seeking state "Green Marina" designation
